Summary

Programmer Analyst with 3 years of experience developing and supporting banking systems, specialized in C#.NET, Visual Basic 6.0 and relational databases (Sybase, PostgreSQL, SQL Server). Experienced in corrective and evolutionary maintenance, production incident resolution, SQL optimization and the migration of critical financial modules. English C1. EU work permit.

Experience

Accusys Technology — Programmer Analyst
Buenos Aires, Argentina · Aug 2023 – Oct 2026

- Developed and maintained applications and screens for the Cobis Core Banking system using C#.NET, Visual Basic 6.0 and proprietary libraries, implementing quality controls that reduced production errors.
- Led the migration of critical financial modules and databases during a bank acquisition, ensuring operational continuity and data integrity.
- Optimized SQL queries and Stored Procedures in PostgreSQL and Sybase, increasing overall system performance by 20%.
- Resolved complex production incidents and automated manual processes in Unix environments (PuTTY).
- Accelerated development and debugging with AI tools (Cursor IDE) and Prompt Engineering, working with TFS, GitLab and Jira.

Autocosmos — Customer Service & Technical Support
Buenos Aires, Argentina · Mar 2020 – Aug 2023

- Provided technical support for digital products, documenting and escalating incidents according to established protocols and maintaining effective communication with internal and external clients.

Education

Universidad Argentina de la Empresa (UADE)
Computer Engineering (in progress) · Apr 2024 – Present

Universidad Tecnológica Nacional (UTN)
Higher Technical Degree in Programming · Apr 2022 – Dec 2023

Skills

- **Programming:** C#, .NET, Visual Basic 6.0, Java, Python, SQR, OOP
- **Databases:** SQL Server, PostgreSQL, Sybase, T-SQL, Stored Procedures, Relational database design and optimization
- **Tools:** Git, GitLab, TFS, Jira, Visual Studio, Unix (PuTTY), Cursor (AI IDE), Debugging, Testing

Languages

- **Spanish:** Native
- **English:** C1 (Cambridge First Certificate)
